I should have it wrapped up mid-late afternoon today. Reviewing the MDP and ER you sent over the other day - what exactly did your staff insert? I found the one page gray scale map which is a cinch to insert and the assessment roll in the appendix of each doc? What about the 7 page detailed map? I will attempt to add that to each doc when I submit but my request several times was for NBS to break that down into separate files - 1 file for each map page - not sure I can insert a 7 page PDF but I'll try.
